CSSE 490 Advanced Wireless Networking

Lab Self-Grading Form

Lab Name: _____ Group Members: _____

Completeness (40 pts)

1. How much percentage do you think you complete the lab work? (0 - 100) If the number is less than 100, please briefly explain which part(s) is not finished and any specific reason why you didn't complete.

   Your mark: _____

Novelty (20 pts)

2. The labs usually involve solving some practical problems. Evaluate your approach to solve the problems using a number between 0 and 100, where 0 means least novel.

   Your mark: _____

Additional Contribution (10 pts)

3. Please list the interesting thing(s) you explored/completed beyond what is required by the lab.
